

GLAAM Finance Committee Report
January 2023

The committee had no meetings in December, so I'm taking this opportunity to reiterate two previous recommendations upon which the board has yet to take action:

Firstly, the board must call for monthly account activity statements from the treasurer for both its accounts. All check numbers need posting on these statements, even if voided. A reconciliation of the 2021-22 fiscal year has yet to be made.

Secondly the board, through its treasurer, needs to publish in the chapter newsletter semiannual financial statements, one in June and another in January of each year.

Lastly now that Jonathan has been placed in charge of bringing the chapter back into nonprofit status, the board needs to be certain that the issue has been resolved.

I am herewith resigning my membership on the GLAAM Finance Committee. Under my leadership, this committee has covered all of the chapter's outstanding financial issues. It remains with the board to take follow up action, which I hope will be more actively monitored by the America Mensa Regional Vice President.

The Committee is now composed of four members: Samuel Moses, William McBride, Jonathan Elliott as the interim LocSec, and the Treasurer.

Respectfully submitted January 2023

Mickey Oskey, Resigning Chair
GLAAM Finance Committee
